Draft Calls, Halted

Men To Be Sent to Camps Amount Unknown Where Influenza Has Not Made Progress

WASHINGTON, Oct. 22,-Draft calls suspended three weeks ago because of he influenza epidemic, now are going out again in certain zones where the Surgeon General's office has decided it s safe to send the men to cantonments. The localities and the exact number of men will not be announced for the pres-

ent.
The October programme is understood to provide for the induction of about 350,000 men, and the number not called out during the remaining days of the month will be added to succeeding monthly quotas, all being called as quickly as precautions for safety will nermit.

permit.
The largest single call suspended was for 140,000 men, who were to have entrained October 14.

Do You Need a Thousand Dollars?

If you need cash to make your small business grow-to put in new equipment-to buy stock-to take discounts and improve your credit standingit will be to your interest to call at The Morris Plan Company and talk it over.

The Morris Plan Company Makes Loans For One Year

This Company, under the supervision of the Banking Department of the State of New York, makes loans ranging from \$50 to \$5,000, at 6 per cent. per annum-discounted in advance-with \$1.00 investigation fee for every \$10.00 borrowed (but no fee exceeds \$5.00). Loans are made for one year or less, and an easy weekly or monthly payment plan is provided.

A loan for the purpose of expanding your business is made on the following conditions:

1. The business must be sound and on a profitable basis. Your previous lusiness re ord must be good.
 Two of your friends, if good character and earning power, must sign your note with you.

The Morris Plan Company has helped to finance hund: eds of smail but growing business enterprises. During 1918, more than five millions of dollars was loaned by this Company to 30,920 people of

New York City and vicinity. Loans are made not only to men and women already established in Lusiness, but also for the purpose of financing them in new enterprises where the borrower and those who sign with him, show sufficient earning power.

Some of the Loans We Have Made

on the ham so the reciver owing to at quate I methods. The son of the proprietor, being to on through two additional loans on thy convinced of his ability to make a success of it, if he adopted up to date methods, obtained a loan of \$2.500 from this Company. He pu chased the business from the receiver, and today is constituted by the solution of the shipping epartment of a large wholesale house, seeing the possibilities of making additional series on through two additional loans on the Morris Plan and later on through two additional loans on the morris Plan and later on through two additional loans on the more than additional loans on the more than additional loans of the proprietor, being to on through two additional loans on the more than additional loans of the make a success of it, if he adopted up to date methods, obtained a loan of \$2.500 from this Company. and today is operating successfully and has actual assets over habilities in excess of \$20,000. This record was accomplished over a period of three and a half

2. A young man desired to en er in o the fac-simil: letter service business, but did not lave the necessary capital to start. He was connected with a small association which Lad aming its directors some of the most in-fluential more of the city. Two of hese m n, feeling that had the necessary about, and knowing him to le a young man of excel ent charact r, endorsed his note for a loan of \$1,000 at The Morras Plin Company. He is today successfully operating his today successfully operating his off a loft his independence and was off a loft his

1. An o'd established business the garage in which he was em-(printing and a traovelise) went ployed. He borrowed \$1,000 into the hands after ceiver, oving on the Morris Plan and liter

> sale house, seeing the possibilities of making addition I profits in the auto trucking lusiness, but not naving saved sufficient capital to buy a truck which Le required, obtained a loan through this Company Ly making a payment of 20 o in cash on a truck and giving us a chattel mortgage as accurring for the payment of the balance, in addition to the en-dorsement of the dealer from whom he bought the truck. He is to lay the owner of the truck free and clear and Las a yearly income aside from his position equal to at least \$3,000 and now intends to purchase another truck

able to discount his bills each month. The amount he is now 3. A young man Lal an op-saving on his discounts almost portunity to Luy an interest in pays his rent.

The Morris Plan Company Is Now at 261 Broadway

(Opposite City Hail Park) The main office of The Morris Plan Company has just moved from the Equitable Building, 120 Broadway, to 201 Broadway - corner of Warren Street. The Company, with its 125 employees, occupies the entire second floor of this centrally located building.

Remember this address and call there-or at either of the two branch offices-when you need money for any economic or aseful purpose.
